They plan to continue sending regional prayer teams in 2023 and to purchase a permanent prayer house in D.C.! Since 2010 the NPE has taken a total of over 60 Regional Aglow Prayer Teams on D.C. Prayer Tours, an average of about six teams per year!

AUG. 6, 2022: For the past 14 years Jeff Wright has been participating in the Jericho Prayer Movement(JPM)-- on the first Saturday of each month at 6am – 7am prayer teams of different ethnicities and different denominations from different sides of the DC area join together for an hour of mostly outdoor prayer at 12 strategic mostly monumental locations in DC. Now affiliated coinciding prayer meetings are starting in other cities around the world. Jeff spent 10 years attending the DC Washington Monument location, but in December 2018 was led by God through Messianic Jewish apostle rabbi Michael Rudolph to help start a new location next to the Israeli Embassy in DC, to pray for the peace of Jerusalem (Ps. 122:6)! The Jericho Prayer Movement is organized and sustained mostly by the International Calvary Church (ICC) in Springfield, VA pastored by Sharon Lee & assistant Pastor John Lee shown here on the left—for the last 10 years this church has provided most of the leaders and participants at each of the 15 DC JPM locations. ICC was started 23 years ago in the DC area by some of the former members from the world-famous nearly 800,000-member Yoido Full Gospel Church of Seoul, Korea, known for its massive 24/7/365 prayer ministry including “Prayer Mountain” near the border with North Korea. Jeff Wright visited Korea in 1987 and heard founding Pastor Paul Yonggi Cho ask for prayers for the peaceful reunification of the Korean peninsula under the banner of Jesus Christ. NPE has prayed that ever since, especially on our DC Prayer Tours when we pass the Korean Embassy. Also shown in the center of the above photo is Pastor Steve Eun who now lives in South Korea after decades of pastoring a Korean Presbyterian church near DC. During his DC years Pastor Eun attended a monthly ministers meeting called “Together In Ministry” (TIM) founded and led by Dr. Corinthia Boone (second from right), out of which in 1988 came the annual joint church prayer rally on the west lawn of the US Capitol for the National Day of Prayer on the first Thursday of May each year, and eventually also the Jericho Prayer Movement described above. The above photo was taken on the occasion of Pastor Steve Eun’s visit to JPM on Aug. 6, 2022.

Kenneth Copeland Ministries

Fort Worth, TX 76192 ph. 817-252-2700

Dear Barry,

Thanks again for all the help you've given us through the past 27 years with the D.C. Prayer Tours you've allowed us to organize from your annual D.C. Victory Campaign. We held our 27th annual D.C. Prayer Tour for KCM attendees on Sunday, November 13, at 9 A.M. until 11 A.M., on the morning after your recent D.C. Victory Campaign ended!

The reservations this year totaled 13, of which all 13 attended (see group photo below).

The temperature was close to freezing, conditions were windy but the sky was clear. We included a group prayer for God to strengthen Kenneth and Gloria and all of you from KCM as a special multiplied return for giving us the glorious D.C. Victory Campaign again this year!

Based on the size of group we had last year, we chose this year to use our 15 passenger van instead of the usual 56 passenger bus with its fee of \$604. Based on our total mileage for the day and the current IRS standard mileage rate of \$0.625/mi. our van use fee was \$70. The offering we collected that day on the bus totaled \$370. Enclosed is \$200 as a tithe and offering for KCM—praise God!

This year we were reminded of Kenneth's war on fear declared in 2001 right after 9/11. On the D.C. Prayer Tour we did with your group in November of that year we got new words from the Holy Ghost as a prayer set to music for the song "Whose Report Will You Believe? We Shall Believe the Report of the Lord! His report says we are healed! His report says we are filled! His report says we are free! His report says Victory!"

Our new words in Nov. 2001 said: (in place of "His report says . . .") "The terrorists did not kill us here! The anthrax did not kill us here! The sniper did not kill us here! We shall live and have no fear!"

This year our new words said: "The virus did not kill us here! The vaccine did not kill us here! The deep state did not kill us here! We shall live and have no fear!"

You are probably aware of recent reports that the deep state global elite has published their goal to see worldwide population reduced by something like 95% by the year 2030 as part of what they call the Great Reset. Many see confirmation of this in the recent worldwide covid pandemic, war in Ukraine with its nuclear threat, supply chain disruptions, extreme price inflation and southern border invasion especially of the killer-drug fentanyl. KCM's message of victory through faith in Jesus Christ with abundant prosperity, health, long life and total protection is vital now as always.

God spoke to my heart earlier this year to remind me of how Hitler bragged his Third Reich would last 1000 years, but it only lasted 13 years (1932 – 1945). Likewise God said look for the wicked schemes of the ungodly in our time to soon fail (Ps. 37).

I heard Kenneth announce at the end of your Sat. eve. service on Nov. 12 that KCM is ending its 20-plus years of tradition of hosting a D.C. Victory Campaign every year in mid-November at the Hylton Memorial Chapel in Woodbridge, VA, but that KCM would be back in the DC area at some point in the future. We look forward to working with you at your future meetings in D.C. and elsewhere as the Lord directs! Yours truly in prayer for America!
