They plan to continue sending regional prayer teams in 2021 and to purchase a permanent prayer house in DC! Since 2010 the NPE has taken a total of 66 U.S. Regional Aglow Prayer Teams on DC Prayer Tours.

THE RETURN

NATIONAL AND GLOBAL DAY OF
PRAYER AND REPENTANCE

SEPTEMBER 26, 2020

For if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land - 2 Chronicles 7:14

IT BEGINS NOW...

THE RETURN

IS A MOVEMENT, AN
APPOINTED TIME,
AND A SPECIFIC DAY
SET APART FOR ONE
PURPOSE—THE
RETURN TO GOD BY
COMING BEFORE
HIS PRESENCE
IN HUMILITY,
IN SINCERITY,
IN PRAYER,
AND REPENTANCE.

REVIVAL COMES THROUGH REPENTANCE,
*prayer, seeking God and His will, spreading the Word,
and being a shining light to others. You can commit
to these things individually, as a family, church, or
ministry.*

*There will be multiple ways to participate, apply
the principles of repentance, and start movements
towards them with others. There will be official events
concerning **THE RETURN** and resources.*

Jeff Wright joined over 100,000 on the DC mall near 12th ST NW on Sept. 26 for The Return—National and Global Day of Prayer and Repentance led by Kevin Jessup and Jonathan Cahn, which coincided with the DC Prayer March led by Franklin Graham who also was joined by over 100,000 in person at the Lincoln Memorial, eventually marching to the US Capitol. So a combined estimated total of over 200,000 seeking God through Jesus Christ in DC that day!

(TOP) SEPT. 15: Jeff Wright is shown at the car dealer lot between the new and old NPE vans—on the right is the 2010 van that now has over 80,000 miles and was starting to have more and more expensive and time-consuming repair needs—on the left is the 2019 van with less than 20,000 miles for which we traded in the 2010. After the trade-in and our church savings we now owe about \$7000 on the 2019 van which we plan to have paid off before June 2021 in order to avoid any interest fees. The good news is that the new van should require much less maintenance expense and time than the older van. (BOTTOM) OCT. 5: Jeff Wright is shown with David and Diana Mollon of Upper Marlboro, Maryland who have donated their graphic arts skills to put side panel identification with letters and logos on three different NPE vans over the past 30 years, including our newest van. We pray God’s hundred-fold blessing back them in return, in Jesus’ name!

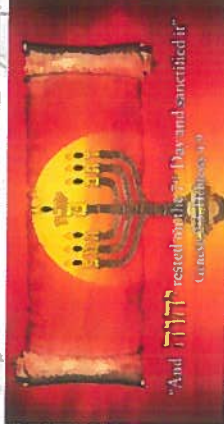

THE CORONATION OF THE KINGS IN ZION PROCESSIONAL

October 10th, 2020
3:00-6:00 pm, Washington, DC

*Come, invite your congregation as we greatly rejoice in this
Glorious Messianic Kingdom To Come Processional.*

Messianic Jewish apostle Elaine Rose from South Carolina obtained a permit and police escort to bring this procession on Oct. 10, 2020 down DC's Pennsylvania AV from the White House to the US Capitol! She recruited about 100 volunteers, all but one from outside the DC area to do Israeli folk dance to loudspeakers of Messianic Jewish praise and worship, blow shofars, carry banners like those shown here and pull wagons bearing life-size replicas of the Holy Place furniture as described in Heb. Chapter 9. Last summer Elaine contacted Jeff Wright for advice on organizing this event—Jeff participated on Oct. 10th by making and posting a video of the procession on his Facebook page for that date. Oct. 31: Jeff Wright visited the north side of Lafayette Park which is on the north side of the DC White House. This park was the site last Spring of George Floyd-related protests and riots including the burning of adjacent St. John's Episcopal Church "The President's Church" and the yellow painting of "Black Lives Matter" on 16th ST in front of that church. A few days before Nov. 3rd election day the Secret Service and US Park Service closed access to Lafayette Park by placing the 7-foot tall fence shown in above top photo, which leftists then kept covered in anti-Trump and Black Lives Matter posters as shown above. Some Christians occasionally put gospel posters up on that same fence but those were removed each day or covered over by more of the anti-Trump and Black Lives Matter posters. Bottom photo shows Washington Monument in the background, with the above poster-covered fence. In the street a gospel street minister on the right is standing behind his sound system box which is playing gospel worship music, while in front of him a man is beating on a long pipe with a metal tool, apparently in an attempt to make enough noise to drown out the music. The street minister's name is Viktor. He has been playing worship music like this in Lafayette Park every day for over a year. Pray for both these men!

(BOTTOM) NOV. 7 & (TOP) NOV. 21: Jeff Wright led DC Prayer Tours for Eagles of Fire DC Ministry Conferences for youth (BOTTOM) & adult leaders (TOP), organized by Apostle Blossom Brackman, shown center of TOP. All of these participants were from NE Ohio.

Shelli Landon painted “The Travail of the Flag” in response to the 1989 U.S. Supreme Court decision that made protest-related burning of the U.S. flag a constitutional, free-speech right. Since then her painting has been reproduced across America as a billboard that is bringing people to Christ, including the above billboard truck that appeared in DC on Sept. 26 for The Return & Prayer March of an estimated over 200,000 people, and again for the Million MAGA Stop the Steal election fraud protest and Jericho Prayer March at the U.S. Capitol on Nov. 14, Dec. 12 and Jan. 6. Jeff Wright and NPE worked with Shelli in 2008 – 2014 for the 200th anniversary of the Star-Spangled Banner as our U.S. National Anthem, and again this year for the above DC projects. Jesus’ blood covers America and heals our land! (Shelli’s Book [The Travail of the Flag](#) is available on Amazon)

(TOP) NOV. 28: On Thanksgiving weekend Jeff Wright joined a prayer tour to rededicate America to God at Plymouth Rock, Massachusetts on the occasion of the 400th anniversary of the landing of the Pilgrims in 1620 including the signing of the Mayflower Compact and the first Thanksgiving in 1621. Shown above in Plymouth Rock is the National Monument to the Forefathers, which emphasizes the values of Faith, Morality, Law, Education & Liberty. (BOTTOM) NOV. 29: Tour organizers Shelli & Barry Landon (2nd & 3rd from left) were joined by the rest of our prayer tour group at the statue in Hyannis, Massachusetts of Native American chief Iyanough who helped the Pilgrims in their early settlement. In front of the statue is Shelli's painting "Travail of the Flag" (see previous page).

(TOP) OCT. 4: Jeff Wright led a DC Prayer Tour for Pat Chen (right) and her team from First Love Ministries International—Pat has been a long-time pastor in the Bay Area of Northern California, a radio minister and a featured speaker at Aglow conferences across America for many years. She also maintained prayer rooms in DC for decades, and is currently praying at the DC American Christian Trust.

(BOTTOM) DEC. 3: Jeff Wright was invited to join a score of other DC and national prayer leaders for a webcast appreciation service for Dick Simmons (left) who went to heaven on Dec. 8 after a long illness. Dick helped David Wilkerson start Teen Challenge in New York City in the 1950's, then helped pray for Pat Robertson to start the Christian Broadcasting Network in the 1960's. Dick and his wife Barbara are mentioned in Pat's autobiography Shout It From The Housetops. Women's Aglow International was started in Dick and Barbara's living room in Washington state in 1967. Dick nursed Barbara through dementia and Alzheimer's the last 7 years of her life until she went to heaven in 2013. Dick also helped President Reagan with prison reform in the 1980's which led to Dick starting "Men For Nations" to call men to early morning prayer, all night Friday prayer and Saturday prayer tours, especially for government leaders and pro-life policies. In the 1990's Dick purchased a townhouse on the east side of the US Supreme Court as a Men For Nations prayer center, which is where this service was held on Dec. 3rd.

Strength and Restoration

shared on FRC Sat. Morn. Call

Isaiah 40:31

But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint.

Jeremiah 24:7

I will give them a heart to know that I am the Lord, and they shall be my people and I will be their God, for they shall return to me with their whole heart.

The spiritual atmosphere is shifting as a new season is here. As a shift is taking place in the spirit and with it I am shifting my prayers to decrees over our nation. We are no longer operating from the defense, but from the offense declaring Heaven to Earth.

Lord we declare your Kingdom come, your will be done on earth as it is in heaven. We declare over America that she will fulfill her destiny to be a protector and friend to Israel and a protector of your Word. We decree that America will again revere Your Word and Your Name. We return to our roots and to the foundation of this nation to freely worship You. We declare that rain is coming to America. A rain of your Spirit that will produce blessing and harvest where the plowman will overtake the reaper.

We declare over America Your Redeemer is coming! Restoration! We decree that the spirits of darkness are defeated and call you down from your high place. We declare all deeds of darkness, plans and strategies of the Evil One will be exposed, stopped and will no longer be able to even speak.

We declare a reset for America to righteousness. We declare a reset and restoration for our police and protection to ALL American citizens.

- to next pg. -

- see prev. pg. -

We declare the police will not be defunded, but unrighteousness will be defunded and stopped.

We decree that the hearts of the fathers are returning to the children and the hearts of the children to the fathers. We declare that families are being rebuilt and restored. Restore and heal the wounds of the heart and bring unity to our land and people.

We decree that the era of Jezebel is ended and the spirit of Elijah is being restored. That the mouths of the prophets will no longer be silenced, but instead the lies of the media will be silenced. That they will find themselves speaking out truth of God's plans and purposes and will no longer be instruments of destruction.

We declare all hypocrisy and corruption to be exposed in all branches of government and leadership; and that the Supreme Court Justice will align with the Word of God.

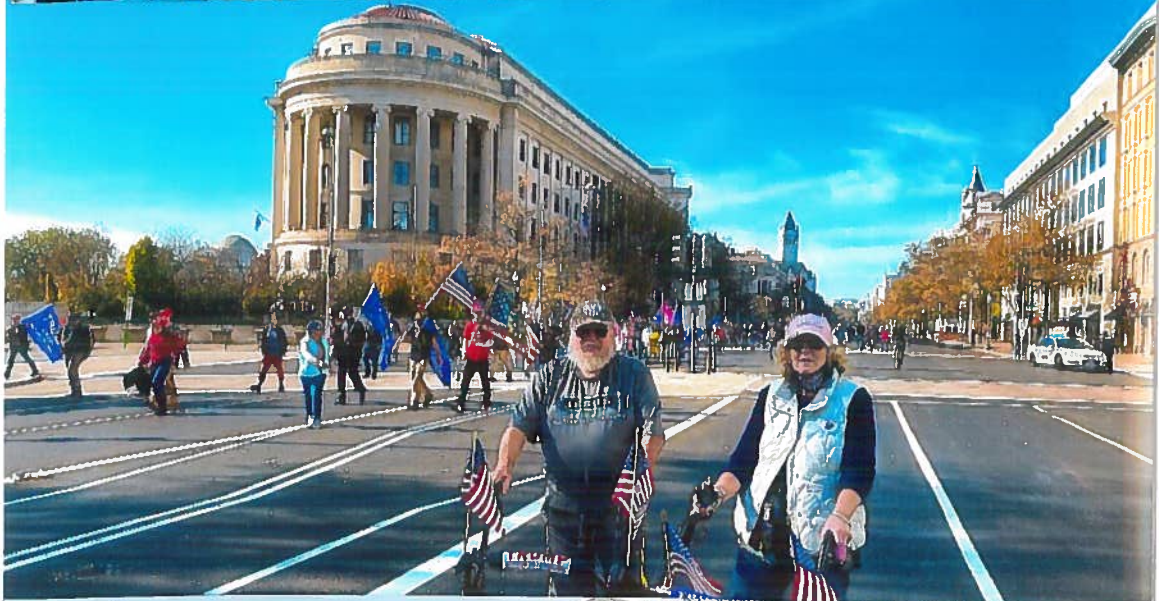

We repent and turn to You and declare You are Lord over America!

Lord, we ask you to send a mighty visitation of the Holy Spirit that will overthrow the strongholds of satan and uplift and glorify the name of the Lord Jesus Christ. We ask you for a mighty floodtide of spiritual revival that will sweep across this nation, casting down everything that opposes itself against the knowledge of God.

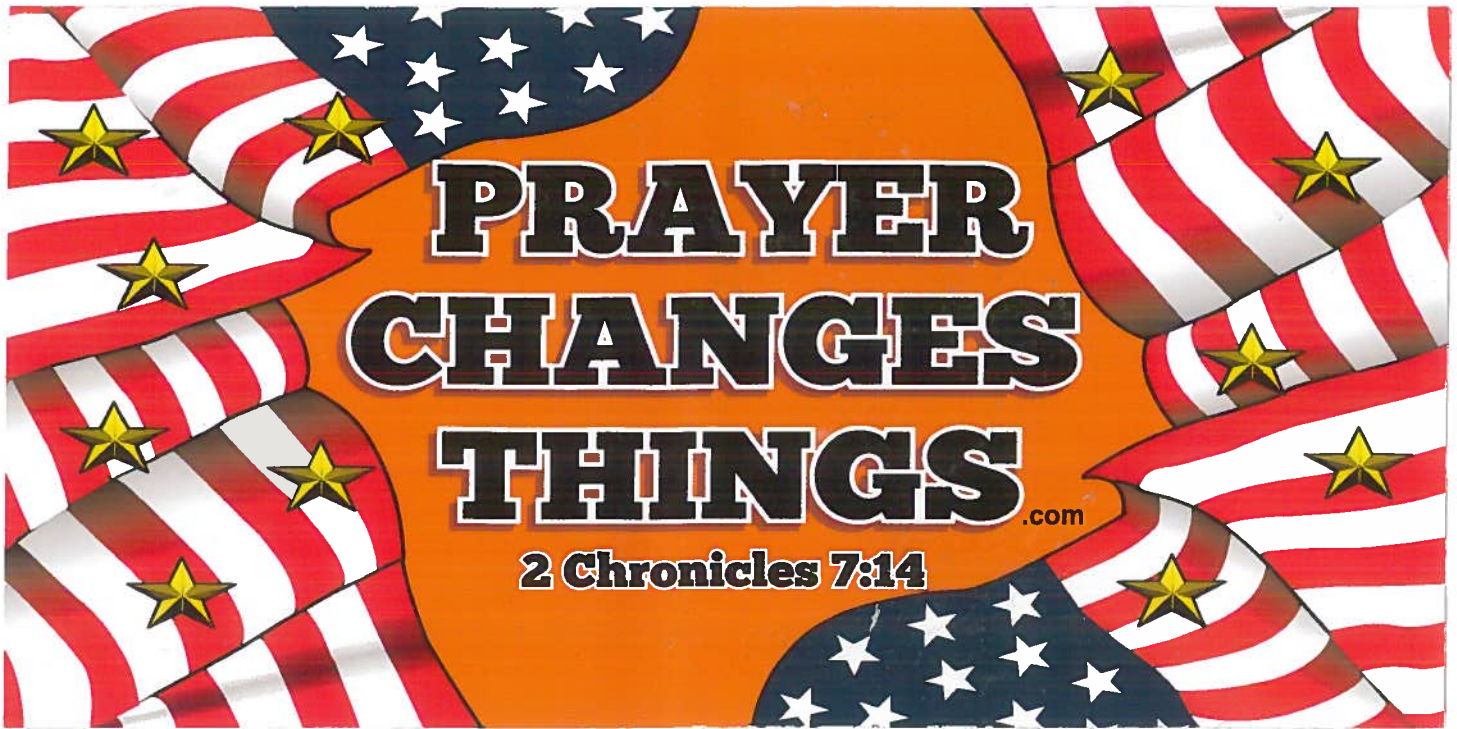

We pray that you will raise up the men and women of your choice, put down those who will oppose and stand against your purposes, and bring your purposes to fulfillment in this nation.

Lord let your glory fall on each individual on this call, the families, communities, and States they represent. Let your glory fall over America.

Lord we ask all these things in Jesus' name.

(TOP & MIDDLE) NOV. 14: Jeff Wright joined long-time NPE partners Ted & Dee Mobley for the Million MAGA March near the US Capitol; & (BOTTOM) DEC. 12: Ted & Jeff attended the Jericho Prayer March near the US Supreme Court. Both events were in support of election integrity—see also next 2 pages for examples of literature being passed out at these two events.

CCP LIES
PEOPLE DIE

This pandemic could have been prevented if the Chinese Communist Party (CCP) did not lie. Its cover-up has led to a global pandemic, with hundreds of thousands of deaths, and over 10 million confirmed cases.

*Will they ever stop lying?
Or should we stop trusting?*

Who are the victims?

China first harvested organs from executed prisoners in the 1970s. It later started using organs from prisoners of conscience and minorities on a small scale.

Since 2000, those targeted for organ harvesting have been primarily practitioners of Falun Gong, a meditation practice revolving around self-improvement based on the values of truthfulness, compassion, and tolerance. By the end of the 1990s, the Chinese government estimated that over 70 million of its citizens were practicing Falun Gong.

Yet, the Communist Party's former leader Jiang Zemin saw Falun Gong's popularity as a threat to his rule and launched a campaign to "ruin their reputations, bankrupt them financially, and destroy them physically." Since 1999, Falun Gong practitioners have been arrested and tortured in prisons, labor camps, and secret detention facilities for refusing to renounce their faith.

Worldwide Response

In June 2016, the U.S. House of Representatives unanimously passed House Resolution 343 condemning "the systematic, state-sanctioned organ harvesting from non-consenting prisoners of conscience" in China.

In December 2013, the European Parliament adopted an emergency resolution calling for "the Chinese Communist regime [to] immediately stop harvesting organs from living prisoners of conscience."

Israel, Spain, Italy, and Taiwan have passed laws criminalizing organ trafficking and restricting transplant tourism to China.

Freedom House released a report in 2017 citing its own review of "credible evidence suggesting that ... Falun Gong detainees were killed for their organs on a large scale."

Since May 2015, more than 200,000 Chinese citizens have filed criminal complaints against former Communist Party leader Jiang Zemin, who initiated and orchestrated the persecution of Falun Gong.

Prisoners of Conscience Killed on Demand for Their Organs in China

- Official figure of 10,000 transplants each year significantly understates the real volume
- 1,000 hospitals have conducted organ transplants
- Directed by the state with military and civilian involvement
- No functional donation system
- Most organs taken from unwilling prisoners of conscience, mainly Falun Gong practitioners

(TOP & BOTTOM) DEC. 26: The Life-Size Nativity Scene was first added to the DC White House National Christmas Tree Park in the 1950's but was removed in 1973 after two atheists and a minister filed a separation of church and state lawsuit. When Jeff Wright first came to pray at the DC White House in 1983 he noticed the Life-Size Nativity Scene was set up a block away from the National Christmas Tree with a sign explaining the above. In January 1984 the U.S. Supreme Court announced it was permissible to have nativity scenes on government land if they were surrounded by enough other symbols of inclusivity, which had been provided at the White House in 1979 when the DC Jewish community began erecting a 30-foot high Menorah for Hanukah near the National Christmas Tree. So the National Christmas Tree provoked the Jews to erect their National Hanukah Menorah, which then gave the US Supreme Court legal justification to allow the Life-Size Nativity Scene to come back to the center of the DC White House National Christmas Tree Park where it has been every year since 1984!
